

ONE SIMPLE WORD CAN CHANGE LIVES THIS HOLIDAY SEASON. YES!

Dear Champions of J,

As we draw near the end of 2018, we are taking time to reflect on all that God has done through you and many others in our community to move the vision of J127 forward.

Five key achievements of 2018

1. We were given three acres to build our first home on along with a beautiful building which will provide offices, classrooms, a computer lab and a newly remodeled reception hall with a full kitchen. These rooms will be used by J127, Under His Wings Widow Ministry and other community members for various activities.
2. City Council rezoned the property and was very encouraged by the turn out of J127 supporters who attended the meeting.
3. Clark's Foundation awarded us a \$100,000 matching grant in April to help build the home. Thanks to our incredible champions just like you, the match was met in October, putting our Building Campaign at 80% funded. (\$50,000 to go)
4. We broke ground in October at the Daysprings Campus located on 49th Street.
5. Even though our doors are not officially open, we have already seen the J127 community rally around several young ladies who have aged out of foster care. We have seen a home provided, a car given and many hearts opened to mentor them as they discover who they were created to be.

THERE IS NO DENYING THE NEED FOR J127, AND WE HAVE AN OPPORTUNITY TO IMPACT MANY LIVES BY BUILDING THIS HOME.

This holiday season YOU can change lives by saying YES! Saying yes to give financially, you will be part of the solution for youth who have aged out of the foster care system. Together we will be able to house ten young ladies as they pursue their education to help break the cycle of poverty that many of them get caught up in.

Just since we started working on this project, 46,000 youth have left the system because states have failed to reunite them with their families or place them in permanent homes. Without a home, a safe and loving environment does not exist for these youths. Instead, their reality is loneliness, depression, and fear. How can a young person be successful in life if they are worried about where they will sleep at night? How can a young person complete their education if they are trying to figure out where their next meal is coming from? How can they care about themselves and others if no one is caring for them? How will their next generations be any different?

WHEN YOU SAY YES, YOUR DOLLARS ARE NOT GOING TO MERE BRICKS AND MORTAR. NO! YOUR DOLLARS ARE GOING TO SAFETY, HOPE, LOVE AND BUILDING GENERATIONS.

Your dollars are breaking cycles and healing pain. Your dollars are setting the stage to end despair for this highly desperate, undeserved population of kids. More specifically, your loving donation will provide the place for J127 to meet basic needs, equip young people in building intentional relationships with God, their mentors and finding their purpose in life. This home will provide a family atmosphere for youth as J127 teaches them basic life skills, job consistency, budgeting and giving back to their community.

ONE LIFE AT A TIME WILL AFFECT GENERATIONS TO COME. YOU WILL SEE THE CHANGE WHEN YOU SAY YES!

We need your support more than ever as we look forward to completing the new home in 2019.

With your partnership, we can change lives, one girl at a time, for generations to come. As we close out our Building Campaign, will you say "YES" through a financial gift of support to J127? There are many ways to give your gift:

- Online at www.j127ministry.com/donate
- Direct deposit from your bank account
- Mail a check in the envelope provided

Your gift will truly be the gift of a loving family for young girls forgotten by the system.

SAY "YES" TO J127 NOW!

In closing, I want to say thank you in advance for saying YES to help "J" become who she was created to be.

In Christ,

Adrean Stinnett
